Director, EPIC

Dear Art.,

This is to thank you very much
for the splendid briefing I had today;
it was a great pleasure to meet you and
John again and for my part I enjoyed our
little session afterwards up at the Club
very much.

Please thank [] and his
Staff for all the trouble they went to
in handling my visit; I am all the more
appreciative because I know how extremely
pressed they must be at this particular time.

With kindest regards.

Sincerely,
Colin
